Agenda

1. Welcome
2. Apologies
3. Adoption of Minutes of the meeting of previous AGM held on 18th March 2017
4. Motion to Affiliate with MWDBA for 2018/19
5. Adoption of Club By-Laws
6. Required change to the Constitution
7. President's Report
8. Treasurer's Report
9. 2017/18 Committee disbanded
10. Committee Positions – Nominations & Election for 2018/19
11. Volunteer Positions – Nominations & Election for 2018/19
12. Presentations
 - Peter Bemrose Trophy – Coach of the Year
 - Paul Harradine Trophy – Player of the Year
 - Tom O'Connell Trophy – Club Person of the Year
 - Presentation of Player's Player and Coach's Awards
 - Managers given team trophies/medals to distribute in team groups
13. Close

Sponsors

Manly Seaside Baseball Club would like to formally thank the following firms and organisations for the generous support during the 2017/18 season. Without your generosity we would not be able to provide the high standard of equipment, safety and facilities to our members.

Manly Seaside Baseball Club would like to thank all of our sponsors for the wonderful support of the 2017/18 season.

We would encourage all players, parents and friends to continue to support the generous firms and organisations who support our Club.

Manly Seaside Committee 2017/18

Position	Name
President	David Gledhill
Vice President Opens	Brent Joyce
Vice President Live Ball	Wendy Stead (ret.)
Vice President T-Ball & Zooka	Paul Gunning
Secretary	Anthony Krohn
Treasurer	Guy Holley
Committee Member #1	Chris Crotty
Committee Member #2	Gavin Cupp
Committee Member #3	Sean Morris

Manly Seaside Volunteers 2017/18

Position	Name
Registrar	Hayley Gledhill
Canteen Co-ordinator	Sharon Morris
Gear Steward – Equipment	Paul Gunning
Gear Steward – Uniforms	Sharon Morris
League Delegate	Wendy Stead (ret.)
Grounds Steward #1	Sharon Morris
Grounds Steward #2	Paul Lidgard
Grounds Steward #3	David Gledhill
Manager's Co-ordinator	Vacant
Coach's Co-ordinator	Shane Joyce
Umpire's Co-ordinator	Brian Joyce
Newsletter Publisher	David Gledhill & Anthony Krohn
Child Protection Officer	Mark Stead
WHAS Co-ordinator	Mark Stead
Member Protection Information Officer	Jacqueline Rota
Website Administrator	Anthony Krohn

CALL FOR VOLUNTEERS FOR 2018/19 SEASON

As you can see from the above list, there are volunteers in the Club who are filling multiple volunteer positions just to make sure the Club keeps going and the kids can get on the diamond each week and have fun playing baseball. Along with these people we have a fantastic group of volunteer Coaches and Managers who give up their time solely to help the kids.

The next two seasons sees a number of our Committee Members and volunteers retiring from their duties. We need quite a number of Club members to offer to help in the roles which will be left vacant. Volunteering is fun and you can really make a difference to the Club and the kids.

You don't need to have a baseball background, just enthusiasm and a goal to get as many kids out on a diamond and having fun as possible.

Volunteering doesn't need to be a big time commitment, it might just be ½ hour here and there during the season. Assistance is always appreciated no matter how big or small.

If you would like to help the Seasideers continue to provide a fantastic, fun and safe sporting environment for the kids next season, please contact Anthony at secretary@seasideers.com.au.

Volunteering is rewarding

Volunteering also has many amazing benefits aside from improving your social life. Volunteering helps to keep you healthy, physically and mentally. It helps to combat stress and anxiety, and also helps in fighting depression. Furthermore, the greatest reward to most people is the feeling of fulfilment and accomplishment that they get from helping others.

AGM Minutes 18th March 2017

MANLY SEASIDERS BASEBALL CLUB INC.

Minutes of the Annual General Meeting

Held on Saturday 18th March, 2017 at 10am

John Fisher Park - Abbott Road, North Curl Curl

Meeting Opened:	The AGM was declared open by David Gledhill at 10:06am
Present:	Attendance list on file.
Item 1: Welcome	David Gledhill, President, welcomed players, parents and valued sponsors to the club's 2016/2017 AGM.
Item 2: Apologies	Gordon Blinkhorne
Item 3: Minutes	Minutes of the previous Annual General Meeting held on 19 th March, 2016 were adopted as a true record. Proposed by Brent Joyce and seconded by Shane Joyce.
Item 4: Motion to Affiliate	Motion to affiliate with MWDBA for 2015/16. Proposed by Guy Holley and seconded by Paul Lidgard.
Item 5: Club By Laws	The Club By-Laws were adopted for the next season. Proposed by Paul Gunning and seconded by Anthony Krohn.
Item 6: Required Change to the Club's Constitution	The outcome of the EGM on 18 th March 2017 was noted by the AGM.
Item 7: President's Report	David Gledhill read highlights from his President's Report. The full version was in the printed AGM Booklet.
Item 8: Treasurers Report	Guy Holley read highlights from his Treasurer's Report. The full version was in the printed AGM Booklet.
Item 9: Committee Elections	<p>David Gledhill disbanded the Committee and the President, VP Teeball & Zooka, VP Live Ball, Treasurer and the 3 x Committee Person positions vacant.</p> <p>Anthony Krohn took over as Chair of the meeting until the position of President was re-establish for the new Committee.</p>

Item 10: Committee Elections The Secretary had received the following nominations for Committee positions prior to the AGM and were accepted in the following manner:

President	- David Gledhill (seconded by Julie Gunning)
Treasurer	- Guy Holley (seconded by Anthony Krohn)
Secretary	- Anthony Krohn (automatic as 2 nd year of term)
Vice President Opens	- Brent Joyce (automatic as 2 nd year of term)
Vice President Live Ball	- Wendy Stead (seconded by Gavin Grant)
Vice President T-Ball	- Paul Gunning (by ballot)
Committee Person 1	- Chris Crotty (by ballot)
Committee Person 2	- Gavin Cupp (by ballot)
Committee Person 3	- Sean Morris (by ballot)

Item 11: Committee Elections Nominations in writing for Non-Voting Role positions had been received prior to the AGM and have been accepted

Canteen Co-ordinator	- Sharon Morris
Registrar	- Hayley Gledhill
Gear Steward Equipment	- Paul Gunning
Gear Steward Uniforms	- Sharon Morris
Grounds Steward 1	- Paul Lidgard
Grounds Steward 2	- Vacant
League Delegate	- Wendy Stead
Managers Co-ordinator	-
Newsletter Publisher	- David Gledhill/Anthony Krohn
Coaches Co-ordinator	- Shane Joyce
Umpires Co-ordinator	- Brian Joyce
Child Protection Officer	- Mark Stead
WHAS Co-ordinator	- Mark Stead
Website Administrator	- Anthony Kohn
Member Information Protection Officer	- Jacqueline Rota

Item 12: Club Presentations:-

Life Membership	No recipients this year	
Distinguished Service	No recipients this year	
Club Person of the Year		
(Tom O'Connell Trophy)	Sharon Morris	
Coach of the Year	Paul Gunning	
Paul Harradine Award	No recipients this year	
Recognition Awards	Special Recognition – Greg Donaghey	
	Services to the Club – The Oakley Family	
Graduating Players	No recipients this year	
Team Awards	The Coaches/Managers from each team presented their team's Player's Player and Coach Award.	
	U8 Bees:-	
	Harley Gibson	- Player's Player
	Toby Morse	- Coach's Award
	U9 Leopards:-	
	Gus Goddard	- Player's Player
	Liam Lidgard	- Coach's Award
	U9 Fires Ants:-	
	Ben Baer	- Player's Player
	Chloe Breden	- Coach's Award
	LL Zooka Wildcats:-	
	Jai Edwards	- Player's Player
	Alex Williams	- Coach's Award
	LL Zooka Bobcats:-	
	Lincoln Stead	- Player's Player
	Oscar Carberry	- Coach's Award
	LL Minor Jaguars:-	
	Chayse Geros	- Player's Player
	Kye Timothy	- Coach's Award
	LL Minor Hornets:-	
	George Proctor	- Player's Player
	James Greer	- Coach's Award
	LL Minor Hawks:-	
	Ash Egan	- Player's Player
	Louis Stelzer	- Coach's Award

LL Minor Falcons:-

Zac Morris	- Player's Player
Curtis Nestlerode	- Coach's Award

LL Major Eagles:-

Ryan Iggo	- Player's Player
Tom Gledhill	- Coach's Award (joint)
Colton Sontrop	- Coach's Award (joint)

JL Tigers:-

Jack Brigden	- Player's Player
Jordan Nicholson	- Coach's Award

Individual Awards

The games award trophies for each team were given out by the Team Coaches/Managers to each player.

Item 13: Other Matters:

Anthony Krohn requested a motion that the Voting Slips used during the Committee position voting during the AGM could now be destroyed. Supported by Brian Joyce and seconded by Julie Gunning.

Meeting Closed:

The AGM was declared closed by David Gledhill at 11:20am

President's Report 2017/18

Well another season ends and I truly hope that you have enjoyed this season of baseball.

The Seaside has always been a proud club with many energetic volunteers working tirelessly and selflessly so our kids can just turn up and play. Playing for the Seaside should always be an honour and there is nothing better than seeing our kids play with their mates and wear our uniform with pride. With this in mind, our committee decided to draft the "Seaside First" club guideline. The guideline explains that any invitational club/district gala days where Manly District (either representative or development sides) will not be entering teams, the Seaside will aim to enter a side with our kids playing for our club. I can speak from experience that wearing a Seaside shirt and playing with your mates at one of these events is great fun and builds an amazing club culture and memories that will last a lifetime.

Our U10 Leopards (and friends) finished third at the Pittwater Cup back in November behind the super strong Castle Hill and the Central Coast rep side. Our mixed Seaside team were runners-up in the Curl Curl Cup again this year to a very strong Central Coast team. To all the players that represented our club proudly on both these days "thank you and congratulations".

The kids all look fantastic in the new training shirts that were supplied through the wonderful support of the sponsors that adorn these tops. Thanks to:

- **Northern Beaches Physiotherapy**
- **GoodSpanner**
- **Warringah Timbers**
- **Freshwater Community Bank**
- **Artifex – Studio One**
- **All Sports Apparel**

Balgowlah RSL once again supported our club in a huge way with their sponsorship going to purchase the ongoing upgrade of equipment and giving us the opportunity to raise even more funds through their Thursday evening raffles.

Display Solutions have donated funds help grow our senior sides as well as the updating of our registration signs prior to the season. Thanks to Gavin Cupp for his ongoing support both financially and as Manager and Committee Member.

We raffled off a fabulous accommodation package at the beautiful **Shepherds Gully Eco Resort** in the Hunter Valley. I've stayed there myself and it is five-star ! Thank you to Ian and Anne from Shepherds Gully.

Thanks also to Dean from **Peppercorn Foods** for the supply of sausages for the Bunnings BBQ day in August.

To all of our fantastic volunteers that have assisted throughout the season – thank you. Special mentions to a few of those in no particular order:

Paul Lidgard for line marking every Friday afternoon for the weekend games.

Sharon Morris for setting up the diamonds and the grounds each week, purchasing the canteen stock and looking after all of your uniform needs on what turned out to be 15 different uniform days.

Sean Morris for organising the Bunnings BBQ day (and thanks to all that helped out on the day as well). Sean is also a valued member of our club Committee.

Paul Gunning for tirelessly working the BBQ all day on the Curl Curl Cup. Paul also assists in the canteen every week with his son Ryan and friend Mark. Thanks guys for keeping the canteen running smoothly and successfully all season long.

Our registrar, Hayley, who had an especially hard task this year with the launch of what was a poorly set up registration portal. Hopefully Baseball Australia spend some time improving this over the next few months. Thanks also for your work in the canteen when called upon at short notice and running the Curl Curl Cup when I had to be on the other side of Sydney.

Thanks to our club coaches, assistant coaches and managers, a wonderful group of people who tirelessly teach our kids to be the best baseballers they can be.

Thanks to our players, who turn up each week and give their best. Our scorers, base coaches, umpires, helpers and supporters – thank you for your time.

We are slowly developing the depth of our baseball club – we now have two teams in the senior winter competition and a senior summer league side. We have 11 club sides in the junior competition, which is a great achievement and we hope to see those number grow steadily.

Finally, I would like to thank a great, longstanding, hardworking champion of the club. The work that Anthony Krohn does every day just to keep this club running smoothly is beyond ridiculous. Whether it be canteen finances, ground set-up, ground pack away, form development and printing, website administrator, minute taking at the meetings, photo day organiser, venue booker, raffle ticket seller and countless other tasks, you name it he probably does it. I am sure that the whole club will join me in thanking you for all your efforts.

Sadly, Anthony is stepping down after today – massive shoes to fill. We will need new volunteers to step up to fill some of these hands-on roles. For those families new to the club, or those who have been around for a while and can take on some extra tasks to help out, don't feel daunted, as it is you guys that are the next group that will take the club forward.

With only four and a half months till next year's registrations it won't be long till we are all back doing this all again ! Have a great season break and we look forward to seeing all of you back next season.

David Gledhill
President

Team Reports

	Bees	
	U8 Teeball	
	Manager	Jessica Forbes
	Coach	Gary Highland

Their first ever season was an enjoyable one for the ten girls and three boys who made up the U8 Bees.

The team managed to go through the season undefeated – without winning a single game! Such is the joy of the U8's where no one keeps score and everyone makes it home.

We had three aims for the kids this season:

- To begin what will hopefully become a lifelong love of baseball;
- To ensure they learnt the correct techniques of hitting, catching, throwing and base running to prepare them for the more competitive years ahead; and
- To use their involvement in the team as a vehicle to develop their characters – the qualities of courage, resilience, respect, teamwork and that mix of self-confidence and humility that is essential to help them become better players, friends and citizens.

At our first game a couple of players were so intimidated about hitting the ball off a tee that they burst into tears! But as we headed into the Christmas break those same players and the rest of the team were hitting and throwing with power and confidence.

Catching for most of our kids is still a work in progress, but that will come next year with more practice.

There were no standout players in the team, so every child deserves a mention:

Alana personified one of our team goals – to have fun. She always had a smile on her face and was a consistent performer with both the bat and glove.

Anika was one of the team's real improvers. Her hitting got better and better as the season progressed and her catching was also strong. In one game she got two outs on third base.

Carly was the team's best catcher and one of its top throwers and hitters. She played particularly strongly at first base where she achieved a number of outs.

Emily was the first member of the team to tag a runner out. The powerful hitter of the final part of the season was unrecognisable from the shy, timid player who first stepped up to the plate in September.

Georgie was a consistently strong all-rounder, with a long, accurate throw and solid hitting. She was also a great sport who always did her best at training.

Libby was the team's best base runner and slider who showed great support for her teammates by encouraging them to cheer for each batter from the dugout.

Maya was a great team player who was always polite and listened hard at training. A clash with other commitments meant she was only able to play for the first part of the season.

Mia was one of the best positional players in the team who learnt how to cover second base from shortstop and back up well from the outfield, while also being a strong hitter

Milla was tireless at training and did plenty of catching and throwing with her parents at home. She was the first member of the team to be able to catch fly balls.

Raffy was one of the youngest members of the team who had a smile that never left his face all season. He was fearless at stopping balls at pitcher and made great strides as a hitter in the second half of the season.

Ty was a polite and respectful boy who listened hard at training and personified the team goal of always doing your best. He put his body on the line on a number of occasions to stop hard hit balls in the infield.

Tyler was the team's most powerful thrower and hitter who got a home run in the final game to cap off a strong first season. He was also the team's big improver at listening to the coach and being a good team mate.

Zara was one of the team's best trainers from the first session to the last. She was polite, respectful and a great listener who ended the season with the team's most accurate and flat throw.

It was a joy to coach such a great bunch of kids. Thanks very much to our team manager, Jessica, our fantastic group of involved, encouraging and supportive parents and the Seaside's Committee and volunteers who made the season possible.

Gary Highland

Coach

Owls U9 Teeball	
Manager	Tennelle Coddington
Coach	Andre Bachelet

The 2017/2018 U9 Owls season was a memorable one. It was a Bad News Bears team with the likes of Alex Slugger Clarke, Hugh The Incomparable Fairbairn, Rohan Rough and Tumble McDonnell, the Eloquent Hazel Coddington, Chase 'The Negotiator' Bachelet, the Breden and Searle Dynamic Duos, Zoe Stride-ing with confidence, Slider-Base Rex, and the Intimidator Owen Thwaites.

As we know, it takes a village to raise children, and with the amazing support I received from dedicated parents, and our awesome manager Tennelle, my role as the team's head coach was made easier. These kids brought life, laughter and memories to us all.

Over the course of the season, everyone showed remarkable improvement in skill development, game knowledge, preparation, and most importantly, passion for their team. It wouldn't be a Saturday morning if there weren't Owls distracted by birds, planes and balloons floating overhead while their team mates were trying to run around the bases, or seeing players making sandcastles from the infield dirt and decorating them with blades of grass or losing their hat, bat, glove or sometimes their parents. However, as the season progressed, the players and coach also progressed. Training became sharper, fitness improved, and the pre-game prep work started to show some life. Catching the ball in the mitt became second nature, throwing techniques were being executed, hitting with a sense of authority and purpose were clear. The game was starting to make sense, and each player took pride in what they and the team were accomplishing. Cheering from the bench, catching fly balls, double plays and hitting infield home runs were part of the norm now. Did we leave it a little too late in the season for a playoff run...probably, however, we finished the season with strength, sharpness and yes, a little intimidating to others. Even I felt confident in having lively discussions with some of the calls coming from the umpire.

This U9 Owl team surpassed all my expectations and their love for the game can be seen in their beautiful smiles. We all played to win, and we all learned how to lose, and it is for this reason that these young, and determined kids, will dominate and redefine their generation; bringing grit and hard work back into everyday living. These kids honour me, and I would be thrilled to be a part of their experiences again.

Go Owls!

Andre Bachelet

Hawks

U9 Teeball

Manager	Alana Jacobs
Coach	Paul Gunning

I had planned to take a rest from coaching this year but stepped in to help the Hawks when they were looking for a coach and I'm glad I did as I have thoroughly enjoyed the season !

Those of who of know my philosophy for junior sport around this age group know that my first goal is for the players simply to have fun playing their chosen activity. The results are secondary as enjoying playing a game should hopefully see players disappointed that a season has ended, and eagerly looking forward to the next one. I believe my goal was achieved with the Hawks.

The Hawks are a mixture of players who had played together the previous season and a few new to the game:

Rocco
 Jack
 Patrick
 Max
 Dan
 Toby
 Teddy
 Jacob
 Charlie
 Sam
 Jonty
 Angus

They were a lovely bunch of children to coach and who played together with a great team spirit.

Due to other commitments, I was unable to be at the last couple of games of the season but was able to watch the end of one of those games. As their coach, but watching from a distance, I was really proud to see how well they played. The batting was strong, and the fielding was faultless. Everybody in the team has greatly improved their skills over the season.

I've previously been lucky to have teams with supportive parents. I was just as lucky this season with the Hawks who cheered the team on every week.

A special thank you to Alana who managed the team so well. Also, a big thank-you to Mike who started as a novice scorer and ended the season as an expert.

I must also thank the many parents who stepped up to umpire, base coach, cover canteen duties, etc. during the season.

I hope all the Hawks have a good break over the winter and look forward to seeing them return next season (which is just a few months away!).

Go Hawks!

Thanks,

Paul

Leopards

Zooka

Manager	Gary Highland
Coach	Jason Buckley
Assistant Coaches	Paul Lidgard, Dan Johnson

With the Leopards completing their second year together adding Ruby and Finley to the team, and it being our first year of Zooka, it was wonderful for both Paul and I to have the help of the parents, particularly Dan – Ruby’s Dad – who truly delivered as an additional coach for this young team.

We will always remember our wins this year where the team truly came together in both field and batting, but also because the wins were so few and far between this season! The losses were many but more than offset by the team’s willingness to be together and show proper spirit for the game. For young people to wipe off the previous weeks’ loss and get back in the game each week, re-focus at training, find their confidence, try new skills, and give their best on game day as a team was truly a privilege and pleasure to oversee. To have that level of persistence in each of players is not just a sports skill, but also a valuable skill in life. It was an honour to be their coach again this year with Paul, and watch the young players develop their skills.

The parents and the team can be proud of the Under 9’s personal development improvement over the season along with their commitment to the team, their club, and the sport.

Zander Highland – from the calling the play in field, to finding his batting style, and improving his fielding techniques, Zander helped pull the team together as well as finding his own confidence during this season with a genuine ability to comfortably enter live pitching next year. He has worked hard at training and also done his own additional personal training. Zander has done the hard yards with his team this year and this has helped him lift his confidence to a solid level by the end of this season making many wonderful hits and executing some great plays in the field to gain outs. Zander proved he could play every position in the field as well as make a difference with the bat.

Ruby Johnson – the young lady in the team with solid skills, high speed, and strong composure. This was Ruby’s first year with the Leopards but she demonstrated her ability to throw, catch, hit, run, and field. It was Ruby who was instrumental in helping the team to their best win of the season when the pressure was on – 1 run behind, with two outs, and full bases – Ruby stepped up to the plate and delivered.

Consistent at training and at the games, Ruby played in all positions in the field and by the end of the season would connect and make first base in most games.

Gus Goddard – still the fastest lad with natural ability, sadly he had to leave mid-season to move overseas. A truly reliable performer, he could not have been more proud when his team gave him his farewell. Team spirit is what makes a great team and Gus was certainly recognized by his team mates when he had to leave. Always arriving to training and the game with a focused attitude, he will achieve great things in future years and knows what it means to be a valuable member and part of a team.

Liam Lidgard – one of the most committed players in the team and always willing of trying new positions and techniques including being catcher on the hottest of days to get his eye in. By the end of the season was always delivering with the bat sending many of his team mates home. He put in the extra effort at every training session as well as outside of training and this produced a significant improvement in all aspects of his game throughout the season. Liam is certainly an all-round player who understands the strategy of the game and could be a pitcher in the future as he gains confidence and strength in his ability to throw. He has proper technical understanding and will achieve great things in coming years as he continues to invest time perfecting his game. Liam is ready for live pitching next season.

Noah Stone – by the end of the season, Noah would connect at least once during a game and get to first base. Noah can be proud of his improvement during the season. He developed his ability to throw using proper baseball techniques and improved his catching ability significantly throughout this season. Another season in Zooka will see him shine, improve his skills, and confidence. He can comfortably enter another year of Zooka and see success next year.

Monty Buckley – whilst being the youngest player in the team, it is always a pleasure to watch the outfield step back when Monty comes up to the plate. His big hits, his ability to catch a hard and fast ball in the glove, and his support of his team mates is the making of a fine young future player. Strong in the infield and comfortable in the outfield, he is hard to get past. Whilst he can work harder on his batting, when he connects, the ball really moves. With more training and greater focus on batting as he grows, he will make an easy shift to live pitching next year. If he sticks with the game he could be a pitcher in years to come.

Chase Murray – always reliable with the bat and certainly keen to be in the outfield, Chase developed a good arm this year to get the ball back from outfield. Whilst he needs to improve his catching, he was responsible for getting many of his team mates home by connecting regularly and often sending the ball in the outfield to gain multiple bases. A great team player, and really gaining focus, he will enjoy another year of Zooka next year and do very well.

Finn Claire – one of the strongest players in the field, he can field a hard ball well and return it fast. When Finn has his focus, he can connect well with the Zooka ball often resulting in some great plays. Equally in the field he can execute fast decisions to result in an out. Finn is happy to play any position in the field well, from catcher to outfield. Finn can be proud of his game development this year and deserves genuine credit for it, especially learning how to predict where a batter will place the ball when fielding. With his focus and positive approach to the game, he will be a true performer in the future and is certainly of sufficient confidence for live pitching next year.

Noah Zingsheim-Smith – always keen to better understand the technical and strategic aspect of the game, he showed a wonderful willingness to give all field positions a go, including catcher, although he is very effective in the infield. Noah develops confidence as he develops greater understanding of the game and we saw his game improve each week as he learnt more. By end of season Noah would consistently connect with the bat and often would play the field well to be smart enough to get home too. Noah should advance next year to live pitching. He has shown great focus this year and as a more strategic player (rather than confidence driven), he is ready. Noah's understanding of the game and skill is at a level that he should progress, especially if he puts in some batting practice in the off season.

Hendrix McKay – made significant improvement with the bat during the season but still needs to work on his fielding skills to be a good all-rounder. Hendrix is the "lefty" in the team and by the end of season

would connect with the bat and make it to first in most games. He understands the game and will enjoy Zooka next year with strong foundation skills to work on and build both his confidence and ability. As his catching and throwing improve he will get the best of the game in future years and he has shown he is willing to work on his skills to improve this season.

Kasper Lowe – a real confidence player, Kasper improved throughout the season and invested with additional personal training. Kasper would often field a ball first time and as his arm improves along with strategic thinking of the game, he will be excellent in the field. He overcame a tough start in batting to be connecting and making first base in most of the games towards the end of the season, a real testament to his persistence to perform in the game. Kasper will enjoy another season of Zooka with his foundation skills in place to perform extremely well next year.

Finley Forbes – this was his first year at baseball and quickly learned the skills to be effective with both the bat and in the field. Finley has natural ability, is not afraid of a fast ball, and made some good hits throughout the season on game day. Another year of Zooka will lift his skills and help him to relax in to the strategic parts of the game to know the plays. Finley has great foundation skills for future years. One of the better players when focused, despite it being his first year. Great effort Finley!

Thank you to the team for working with Paul, Dan, and I as coaches this year. Thank you to Alan as referee and all the scorers who helped throughout the season. Special thanks to Gary our Manager who continued to help us despite coaching another team this year. It is an interesting time for the team, where some must advance and others can enjoy another season of Zooka to build their confidence. The players really developed throughout this season, showed great confidence and persistence, and are becoming proper young sports-players who value their team mates. No matter what the team does next year, I am certain the players will always remember their time in the Leopards – a true team.

Go the Leopards!

Lions Zooka

Manager	Demelza Porteous
Coach	Mark Gibson

The 2017/18 Seaside Lions Had a bit of a rollercoaster season; some early, confidence boosting wins, followed by a few losses, and finishing off the season with some free flowing baseball – totally stress free once we were out of playoff contention.

Even though the entire team were new to the Zooka machine, never did they look out of place. Batting with confidence from 1 to.....12 (!), it always took some pretty good pitching, or outstanding fielding to get our little Lions out.....usually!

Our fielding also improved, with commitment and confidence levels growing game by game. Some great catches, double plays and strong throws made us look pretty darn good.....at times.

The Lions had 3 players selected to represent Manly Warringah in the Rookies Cup – Ben Baer, Harley Gibson and Luka Simmons – Congratulations, guys!

The biggest positive of the Lions is our room for improvement and the prospect of moving into our 2nd season of Zooka without losing anyone to live pitch. We did “sometimes” struggle with our focus and concentration levels at trainings as well as games, so it’s exciting to think about what we could achieve with more experienced and mature heads on our shoulders – a year older and wiser.

All in all, it was a fun development season for the guys, and I am already looking forward to next year!

In no particular order, here are the Lions!

Luka M: Pocket rocket! One of the quickest over short distances in the whole team. Zippy in the field and zippy between bases! Even though Luke is the youngest on the team, he already has a great foundation in baseball – I look forward to seeing what next season brings.

Sebastian M: Possibly our most consistent team member at the plate – getting on base with amazing regularity. Seb has a good eye for the ball, and a lot of potential as a Lion for next season!

Chris: Chris is the resident comedian for the Lions, always bringing his unique sense of humour to the team. Chris plays with a smile on his face and always gives his best for the team. His improved play will also benefit the team next season.

Sam: Plays with absolute freedom and “swings for the fences”. A wonderful team member who puts everything into his game – doing his best in every inning, and happy to try new positions around the field.

Luka (Bazooka): Joined the team having never played any level of t-ball or zooka at all – Finished the season as he started it; hitting home runs! Significant improvement showed throughout the season – rewarded by selection in the Manly Warringah Rookies Cup squad! Congratulations!

Ben: One of the natural leaders, and more experienced members of the Lions, Ben’s dedication to the team. Lots of chatter in the field a safe glove, and with one of the biggest swings in the entire league, Ben was always a danger to any team that we played. Ben was rewarded for his hard work by being selected to represent Manly Warringah in the Rookies Cup. Well done Ben.

Harley: Harley has the toughest job on the field; being the Coaches son! That means he has to work extra hard to get any plaudits or praise from his Dad/Coach. Luckily Harley takes this in his stride and loves working hard for the team at trainings and games – with homeruns and slick infield plays bringing him the most pleasure. Harley was also selected to represent Manly Warringah in the Rookies Cup – good luck! Super proud of you!

Hugh: A naturally talented ball player, Hugh had some great moments, both with the bat and in the field. Always keen to take on a pivotal role within the team, and to make a difference.

Harry: Harry has one of the best baseball brains on the Lions squad. Always keen to learn more about the game, and even teach his coach a thing or two! Always leaving some piece of equipment behind at trainings or games 😊

Lachlan: Lachy’s friendly and smiling persona hides a competitive bulldog when he gets on the diamond! When Lachy switches on, he has the ability to make important plays from anywhere on the park. A keen 2017/18 Lion.

Coen: One of the keenest Lions this season! Keen to swing, keen to get on base, keen to run, keen to field, keen to make plays, but most importantly Coen is keen to improve. A great and polite team member and a delight to coach.

Mack: Mack joined the Lions mid-season without any baseball experience but that didn’t stop him jumping in feet first – rarely missing a training or game. Lots to focus on, but with hard work Mack has a good base to work on improving his baseball skills for next season.

A massive thanks to Demelza for managing the team. Organizing the parents to turn up each training and game, drilling them into various roles, and reminding them of the fruit roster (which I missed, not once, but TWICE! The second time, Demelza rushed off and organised a replacement fruit refreshment for the team at last minute!!), plus scoring and everything else that goes with the job. I’ve been lucky so far as a coach to have great managers make the team look good, and this year is no different, so thanks to Demelza.

Thanks also to the parents, for their help at training and games. Special mention to Eric Baer, who was invaluable to the team this year – both at trainings and games. Some extra special thanks also to Nick Baer who, in his own time, helped our team out greatly at both trainings and games! Nick would always ask how he can help the guys out –with drills, base coaching, swing correction, etc. Nick was so valuable, not only due to his experience as a current Manly Warringah representative player – but at times I think he was the only one of the coaches that could actually speak the same language as the ~~monsters~~ awesome kids on the team.

Pumas Zooka

Manager	Jacqui Rota
Coach	Glen Rota
Assistant Coaches	Eamon Grattan-Smith & Craig Paull

Well there were many coaches that worked with the Puma's this year and before I go any further I would like to give thanks to all those that put in plenty of their own time to help these young Puma's to get to where they were at the end of the season.

Glenn was a huge help at training and on game day. He took on the main role of game day leader and did a great job in keeping the boys in line and rotating smoothly. Thankfully Eamon put his hand up to assist as he brought along his fabulous knowledge and skill of the game. Craig, while new to the game happily helped out as a fantastic base coach. Shane Joyce also gave up every second Friday to lead the drills and to improve the skills of this bunch of relative newcomers.

The Pumas had many newcomers to the game of baseball this season with Joss, Ike, Jack, Jordan and Flynn all friends from outside baseball but bringing a closeness to the team that set it on the right path for the year, not only that, they picked up the game really quickly with some very high skill levels and strength in their hits.

Brodie and Tom Wyllie both came up from Tee Ball and did a great job in developing greater skills in new positions with Brodie performing amazingly at catcher as the season progressed. Tom also brought along his friend Lenny who was another enthusiastic newcomer to the game. Lenny had a great first season and I hope he keeps that energy up for many more seasons to come.

Alex, Tom Wright, Mark, Rhys and Ewan were all returning for a second year of Zooka and while it might have been a disappointment that they were unable to play live pitch I believe that they would have had a more enjoyable season working on developing some of the fielding and batting skills this year without the pressure of pitching.

The Puma's had more than a few good wins throughout the season and pushed all the top teams to the last out, showing effort against teams with far more experience in their sides. This pleased all of the coaches and it was great to see you progress game by game.

Thanks to Jacquie for her role as manager and dugout boss. Not only getting you all to the right ground each week but leading the cheering when needed.

Also thank you to all the parents that I haven't mentioned that helped this team through the year either at training, umpiring or at the games when the regular crew were away.

Hope to see you all back again for another year of ball.

Dave

Bobcats

LL Minor

Manager

Wendy Stead

Coach

Mark Stead

Another great season for the Bobcats finishing third on the ladder. This was a fantastic result for a first year live ball team. The players learned important live ball skills this year and have a good foundation for their game next year. Thank you to Scott and Eric for help in training and John for game day base coaching.

The Bobcats are (in alphabetical order):

Aaron: trained hard to improve his core skills and showed good discipline at bat

Dylan: trains hard, plays hard and was very solid across the diamond

Gus: made a couple of slick plays at second and showed good decision making at third

Hudson: nice work from the mound and was very handy with the bat, plenty of RBI

Jai: solid effort in training and games and made some good cut out plays to second

James: made strong gains this year in batting and pitching and some great plays at first

Kaden: big step up and handled it very well, high skill level and lots of potential

Lincoln: great team player, strong performance in pitching, batting and pivot

Matea: lovely work at first and packed considerable heat from the mound

Nick: played several infield positions all extremely well, was solid all season at pitcher

Oscar: developed considerably as a catcher over the year with great glove work, performed well as lead off bat

Orson: very quick between the bases and showed incredible reflexes and speed behind the plate

Hornets

LL Minor

Manager	Stephen Proctor
Coach	David Greer
Assistant Coach	Andrew Schaper

The Hornets of 2018 were largely a mix of the Hornets and Hawks teams from prior years and much thanks is due to both Shane Joyce and Paul Gunning for the great development work each has provided to the kids from T Ball through to Minors.

This season has been a special one with a combination of high performance baseball on the field plus the formation and development of great friendships between many of the players and parents off the field.

During the regular season, the Hornets were defeated only once and were the standout team in the league for both pitching and fielding with the lowest runs allowed by a significant margin. Our batting was also strong, with the second highest number of runs posted by any team.

Five of the Hornets were selected for representative play during the year being James Peel, James Greer, Garrett Schaper, Austin Holley and Oliver Ferguson. James Peel, James Greer and Garrett Schaper were also selected in the All Stars team.

Highlights by player are as follows:

Garrett Schaper – had an excellent all round season as the league’s premier lead-off batter, an outstanding utility infielder and his development into a high quality pitcher

James Peel – “Peelo” was the dominant pitcher in the league and acquitted himself very capably at both 1st base and in batting

James Greer – was instrumental in the team’s success as the starting short stop, number two pitcher and number three batter

Oliver Ferguson – the team’s “Mr RBI”, Oli was a huge success at the plate with key hits all through the season including consistent contribution in the big games

Ryan Barnes – our new recruit from Warringah, Ryan played a big role as the team's starting catcher, number five hitter and was a role model to others in his maturity and professional approach to the game

Austin Holley – a very consistent and high quality player, Austin played a key role in the team's success again this year, led by his outstanding defensive play as a pivot infielder and a high quality pitcher

Lorenzo Marrable – had an exciting season including match winning hitting performances in two key games against the third placed Forest Dodgers

Louis Stelzer – one of the most popular players in the team with a unique flair for getting on base regularly in big games, Louis was equally appreciated by the coaching staff as a fantastic kid to have as a Hornet

Jaxton Hotchkiss – was the Hornet's "Rookie of the Year" and successfully translated his natural athleticism into fielding prowess spanning right field, 2nd base and catching

Jarred Burland – a long term Hornet, Jarred played a key role for the team again this year that was highlighted by his excellent infield work at both 3rd base and short stop

George Proctor – a talented all round player, George excelled this year at both pitching and hitting with a professional approach to the game and the universal respect of his peers and coaches

Will Vanover – a charismatic and popular member of the team , Will made an important contribution to the Hornets success with strong performances in both catching and base running

David Greer and Andrew Schaper

Eagles Eagle League	
Manager	Kellie Tindale
Coach	Simon Egan

This year the Eagles have been in a very tightly contested competition. We beat every team in our division and also lost to all teams in our division. We have had many close matches where we only lost or won by a few points. It was great to see players who have been playing for many years playing alongside players new to baseball and everyone having fun. We have tried to combine the joys of baseball with training hard and diligence.

The team:

Hugo: Hugo has been a superstar catcher this year taking on the role with gusto. His consistent hitting has also been a huge highlight of his game this year. The improvement he has made this year has been unbelievable. Hugo gets my most improved award.

Ash: Ash has been a strong pitcher and batter for our team this year. Often we have had to rely on him to get us out of a tough situation and he has calmly taken control of the game. He has also been super solid on first base picking a lot of throws out of the dirt to get a much needed out.

Harry: Harry's passion for baseball is evident and his heart for other players makes him a wonderful asset to the team. His batting has seen a massive improvement this year and he has been a solid backup closing pitcher for the team when needed. Harry gets my encouragers award.

Curtis: Curtis has been an amazing pitcher for the team this year. He started the year catching and then moved to pitching, as we needed pitchers. He has also been solid at short-stop and first base. Curtis gets my versatile player award.

Jaylen: Even though he has only been playing for a few years, Jaylen has taken to baseball with enthusiasm and his diligence is evident. He has been an amazing relieving pitcher and in our last game hit the canteen from M3 with a massive hit. Jaylen should be proud of his attitude, contribution to games and leadership amongst the group.

Deon: Not to be overshadowed by his older brother, Deon has also shown amazing coach-ability and love for baseball. Deon has been a solid infield player, often playing at 2nd and 3rd base. He has also filled in at catcher and been very reliable. Deon gets my most improved infielder award.

Oliver: Oli was a new addition to the team half way through the season and has fit straight into the team with no problems. He was exactly what our hitting line up needed (another slugger). He has been fantastic at centre field with his strong arm and shocked the coaching staff with his amazing ability to adapt to the role of catcher so easily, throwing someone out at second base on his first attempt. Oli receives an award to acknowledge how pleased we are to have him join our team and the super slugger award.

Gabriel: Gabe has shown his love for baseball this year by playing both Saturdays and Wednesday nights. He is a strong batter, getting some great hits throughout the season mixed with his fast and aggressive base running. He has been an amazing closing pitcher for us, saving us from a loss in the last innings more than once. Gabe gets my best closing pitcher award.

Dominic: Dom has played as a keen team member this year, striving to develop his skills. He has often combined his fast running with a much-needed bunt. His hitting has also seen growth in training and his kind attitude towards others had been an asset. Dom gets my award for reminding players to have fun.

Cooper: Cooper being new to baseball has developed many of his basic skills this year from hitting to throwing. Cooper now looks very solid in the batter's box and even hit a deep double base hit at the end of the season, which caused our whole bench to stand and cheer him on. This was a beautiful moment in our team to see all players supporting him. Cooper gets the 'stand and cheer' award.

Thijmen: Thijmen is new to baseball this year and has come a long way which is pleasing to see. He has developed a long fast throwing action, which may cause him to be a great pitcher in the future. He has overcome feeling worried about getting hit by a pitch, even though he has been hit five times this season. Thijmen gets my 'watch out' award both for his amazing throw arm and the most hit player.

Tyler: Tyler loves the game of baseball and is a quiet, hard-working member of the team. Everyone enjoys seeing him play because of his wonderful attitude. The team can always rely on Tyler to have a quality at bat. He has been a solid infielder this season for our team and he receives the QAB (Quality at bat) award.

Rory: Nothing seems to phase Rory and his love of the game is obvious. Rory has developed his throwing action this year and had some good hits at training this year. He quietly takes all coaching on-board and he gets the 'loves baseball' award.

Panthers

Intermediate

Manager	Sarah Mills
Coach	David Gledhill
Assistant Coach	Bob Butcher

The Panthers took the big step up to Intermediate league this year and they have done so with a great deal of energy and skill. While most played during the week in the Midweek LL Majors competition they also fine-tuned the art that is the game of baseball, mainly stealing, leads and pick offs on our weekend games.

These boys are really good baseballers but what they really excelled at was **talking!** Yes, these boys can talk. From the moment they start ambling along to training the conversation begins, as more arrive the talk gets louder and more excitable. At least they talk a lot about baseball, like who is their favourite player, who has the best glove "I would swap my heart of the Hide for Aluve's A2000", Who has got the best or newest bat and even someone talking up the Giants chances next year!!!

Earlier in the season talk was quite often about girls and what did not help from the Coach's perspective was that we trained on M5 down near the netball courts on a Tuesday evening the same night and time as the mid-week netball comp. Very distracting but always a good topic for the boys to start the next topic of conversation. "Is that your girlfriend Jackson?" "I think she is waving at you"

Warm ups for some were seen as a time to get those jaw muscles limbered up with little concern for all the other limbs used during a game of baseball.

Special mentions go to River and Toby. When one of these two were unavailable at training you didn't hear much from either but when together gee things were a lot noisier.

Jackson and Kane will make great radio DJs as there is never any "dead air" when they are around.

To all the "fortnight" talkers – Tom, Zac, Luke and Max if it's not enough hearing them for about 5 hours a week at games and training I get to hear them talking over the PlayStation at home as well!

Sam – New to the team and the game of baseball but had no problem during the game to walk up to the mound for a chat with the pitcher!!

Dan – He will just talk to anyone.

Then there is Will, while not the big talker amongst this group it is his dugout manners that stood out for me. Every week on game day without fail he left his open kit in the middle of the dugout near the entrance for us all to walk over. I can only imagine what his room must be like.

Some huge thank you's go to Bob and Dwayne for all their help at trainings and on game days. I really appreciate the assistance given, with all the chatter it was hard for us to get ourselves heard most of the time. Also, thanks to Hayley for training the boys when I was away and as dugout supervisor.

To Sara and Emily – you were absolutely amazing in all that you did for the Panthers this year. From scoring, pitch counting, organising the team to be there every week and all those other countless jobs that you two performed, it was you guys that kept the team glued. Thank you !

Finally, congratulations to the Panthers this season you guys were great. Minor Premiers, five players making the LL Major Manly side and a really good bunch of young men to coach. This is shown by the fact that everybody got to pitch at some point during the season. You don't get the chance to do that unless we all work as a team.

Enjoy the next 6 months and I hope to see you all back in September.

Dave Gledhill

Tigers

Junior League

Manager	Gavin Cupp
Coaches	Greg Donaghey/Brent Joyce

By the time this report was due our season just started to get serious. We had just lost a hard fought match against the North Sydney Bears 11-12 in a very strong all round performance, particularly with the bat. We are a big chance to finish the season in 4th spot and have a crack at the semi-finals.

As coaches, one of the most pleasing aspects is to see a real improvement in our player's ability and their application, and this season the Tigers have definitely improved their game. The trainings have been a mixture of Greg yelling drills driving any mixture of activities and Brent's calm one on one tuition with Gavin assisting at all times. A great balance for the boys to learn and develop.

Whatever outcome the season has in store for the Tigers, we believe it has been a great season & we trust all involved have had some fun and learnt a bit more about the game of baseball.

The Tigers welcomed Max A, Noah, Charlie, Hamish and Lochie who were playing baseball for the first time and they have adapted very quickly to pick up what can be a complex game at times. Well done boys. These guys teamed up with our experienced Seaside's in Boston, Jack B, Jack D, Jared, Jordan, Max B and Ryan to form the Junior League Tigers.

A big thank-you to Gavin as our Manager, all the Scorers (Rosemary, Lynette & Wendy), the pitch counters & all those that helped throughout the year. Also thanks also to all the parents for participating & driving the kids everywhere (a 7.30am start on a Saturday or a Friday arvo training deserves a thank-you from the boys).

I would also like to thank the club, particularly Dave our President for his support this season.

Thanks,

Greg & Brent

Eagles

Open League

Manager

B. Joyce, S. Joyce, J. Allan, J. Nicholson

The Open League Eagles this season were:

Blake Coppel, Kelly Steinhauer, James Nicholson, Shane Joyce, Brent Joyce, Jesse Welsh, Jesse Kemp Segin, Joshua Allan, Sean McGee, Thomas Morison, Aaron Gunning, Zach Barnao, Lachlan Martin and Mary Joyce (Scorer)
